CHRISTMAS PORTRAITS

Thank you for choosing Bentley Gray Photography for your Christmas portraits. We are certainly honored by your decision. On the pages that follow, you will find information regarding portrait pricing as well as information on our photographic Christmas cards. If you have any questions about our pricing information, please do not hesitate to contact us. It is our desire to see that all of your needs are met.

Please take the time to read the following information:

During the holiday season, just like any other time of year, your most precious commodity is your TIME. There just never seems to be enough of it. If there is a way in which we can save you some time, then we want to take advantage of that opportunity. In order to do this we are eliminating the entire proofing process. You will be able to view and choose your images at our studio on our computer.

This is exciting because it saves us up to two weeks of time that we would normally be waiting on proofs. We have set aside three days for viewing: Thursday November 13th, Friday November 14th, and Saturday November 15th.

Please give us a call to set up a time that is convenient for you. You will be choosing your images as you view them, so it will be helpful if you have a general idea of our package information which can be found on the following pages. Anyone who is involved in making the package selections is welcome to come to the viewing session.

In keeping with the Christmas spirit, we would encourage you to participate in our third annual TOY DRIVE. For every new, unwrapped toy valued at \$10 or more you bring to our studio, you will receive your choice of either 1 8x10, 1 5x7, or 8 wallets FREE. If possible, please bring the toys to your viewing session, but we will accept toys until December 1st. All toys collected will be donated to the Marshall County Christmas Coalition. Please join us in this exciting opportunity to give back just a little bit of what we have been blessed with.

THANK YOU VERY MUCH!!!
